

# Immokalee Fire Control District

502 New Market Road East, Immokalee, FL. 34142

## Inspection Request

To ensure timely inspection services, the Immokalee Fire Control District requires all inspections request be e-mailed or faxed to this office. Inspection request must be received no later than 4 p.m. the afternoon before the inspection is needed, or 4 p.m. on Friday for any inspection to be done on the following Monday. Any request made after 4 p.m. will not be done until the next business day.

Time-specific inspection will be honored for a fee of \$75.00. Fee is due at time of the inspection, only business check or money orders will be accepted in the field. Time-specific inspections require a 48 hour notice.

Cancellation of any inspection shall be made no later than 9 a.m. the day of the inspection. Failure to cancel the inspection by 9 a.m. shall result in re-inspection fees.

Approved plans, permit cards and any additional documentation shall be on the job site at all times. If these documents are not on the job site upon the inspector's arrival the inspection shall be cancelled, and re-inspection fees applied.

By requesting any inspections, you grant permission for the Immokalee fire inspectors and/or firefighters to photograph all items related to the building or site to be inspected.

### **INSPECTIONS MAY BE CANCELLED OR DELAYED DUE TO FIRE RESCUE EMERGENCIES**
